ABOUT US

“IFS TEXWEAR (PVT.) LTD. is a premier, 100% export-oriented composite knit garments manufacturer and exporter based in Bangladesh. Established in 1999, we have grown into a global industry leader, driven by a passion for quality, innovation, and ethical manufacturing.

Our vision is to create the greatest knit clothing on the planet by consistently investing in quality and innovation. We are dedicated to providing unrivaled variety and superior products that stimulate and grow the global fashion market.

Quality is the cornerstone of our operations. Our facility utilizes advanced machinery from Japan, Germany, and the U.S. to ensure precision in every stitch. We maintain the highest international standards, evidenced by our extensive certifications.”

SERVICE

We offer a complete, end-to-end production solution from raw material processing to the finished product utilizing a massive 878,346 sq. ft. facility and advanced global technology.

We specialize in a wide variety of knitwear categories, including:
Men's & Ladies Wear, Active & Outerwear, Innerwear & Sleepwear, Infant & Kids, Production of all kinds of specialized knit fabrics.

We provide seamless export services to major global markets, including the U.S.A., U.K., Canada, Germany, France, and throughout the European Union. Our team manages the entire process from merchandising and commercial documentation to final shipment.
