ABOUT US

"Lithe Group is one of the most renowned groups of companies in Bangladesh, recognized for its commitment to building lasting relationships through quality and excellence. Founded in 1989 by Mr. F M Kabir Mohiuddin, the group began in care label printing before establishing its first RMG production facility in 1991 and beginning global exports in 1992.

Today, Lithe Group has grown into a major industry player with an annual turnover of approximately $100 million. Our operations are powered by a dedicated team of 5,700 talented individuals working across a massive 800,000 sq. ft. factory space. We serve a diverse global market, exporting high-quality garments to the US, UK, European Union, North America, and various Asian countries."
