ABOUT US

“West Knitwear Ltd. is a prominent, 100% export-oriented vertically integrated knit garments manufacturer and exporter based in Bangladesh. Established in 1996, we have grown from a small operation into a significant industry player, driven by a commitment to diversity, production excellence, and a global clientele.

Our vision is to achieve sustainable growth that provides opportunities for our employees while creating a skilled workforce for the garment industry as a whole. We are dedicated to delivering the highest quality products by integrating years of experience with modern technology, innovation, and engineering.

Quality is the cornerstone of our operations. We take pride in our strong commitment to customer satisfaction and timely delivery, which has enabled us to build successful partnerships with some of the world’s most renowned clothing brands.”

WEST KNITWEAR LTD

SERVICE

We offer a complete, end-to-end production solution within our vertically integrated facility, covering every stage from raw fabric processing to the finished garment. Our production floor utilizes advanced, fully automated machinery including auto spreaders and cutters to ensure precision and efficiency in every batch.

We specialize in a wide range of knitwear categories, including:

- Men’s Wear
- Women’s Wear
- Kids' Knitwear

Our team manages the entire manufacturing journey, including knitting, dyeing, cutting, sewing, and finishing. Every garment undergoes a thorough quality check by our inspection team to ensure it meets our high standards before being packaged for its next journey.
